WIBCA Basketball Showcase

History & Philosophy

The WIBCA (Washington Interscholastic Basketball Coaches Association) State Basketball Showcase originated in 2003 and was first held in Cheney, Washington at Eastern Washington University. The following two years the event was moved to Spokane's Lewis & Clark High School. In 2006 the showcase moved west of the mountains to Bellevue College.

This two day state sanctioned basketball tournament has flourished as it provides 160 student athletes an opportunity to display their talent and skills to prospective college coaches in hope of continuing their playing careers at the collegiate level. Positive feedback from coaches and players is the norm for this spring venue.

Along with high school and college coaches, our support staff, many parents and fans, we look forward to this yearly event which provides a fantastic and exciting experience for these young men.

Sponsorship Levels

On behalf of the WIBCA (Washington Interscholastic Basketball Coaches Association) Basketball Showcase, we would like to ask you to consider being a sponsor of this important event. Sponsorship money enables us to defer the cost of the player entry fee and running this event for 160 high school student athletes. There are several levels of participation that you could choose from including:

Title Sponsor – (\$10,000) – includes your business name on all apparel, player jerseys, flyers, programs, banners, etc. A full page ad in our General Admission program. This level also gives you the opportunity to distribute information at the event.

Corporate Sponsor – (\$5,000) – includes your business name on all print material including flyers, programs, schedules, etc. A 3/4 page ad in our General Admission program and display your banner in the gym.

Official Sponsor – (\$2,500) - display your banner at the event and half page ad in our General Admission program.

Event Sponsor – (\$1,000) – half page ad & banner in our General Admission program.

Game Sponsor – (\$500) – quarter page ad in our General Admission program.

Player Sponsor – (\$250) – business card ad in our General Admission program.

Scholarship

On behalf of the WIBCA annual state basketball showcase we are offering a \$1,000.00 scholarship to all senior participants of this event.

Each senior player has the opportunity to email a typed written document of a telling story sharing their experience of "giving back" to their community, overcoming an adverse life situation or helping others in need.

Please submit your personal story to showcase director Tim Gaebe at gaebe@comcast.net.

Deadline is Friday 24, 2020. The chosen scholarship recipient will be announced before the championship game on May .

Dribble-Shoot-Swish

DRIBBLE-SHOOT-SWISH... "live life with passion", is a segment of our event where we will pick two 10-12 year old fans from the crowd, one boy and one girl, to DRIBBLE-SHOOT-SWISH for \$100.00!!!

The chosen participants will have the opportunity to keep the \$100.00 or give it to a charity or cause of their choice. In doing the latter, when the participant sends evidence of where the \$100.00 went we will send them a check for \$150.00.

The objective is to enlighten young kids' thinking about "giving back" and helping people who may be facing an unfortunate circumstance. The following website is an example of someone who "gave back".

Player Testimonials

Attending the WIBCA showcase was a great experience and most of all FUN! I've had colleges calling every week talking about seeing me play at the Showcase. Mr. Watts (Donald) himself was also there! Having ranked players there to compete against was the best part and also making new friends. I highly recommend going to the Showcase if you can.

Trazil Lane
Lummi Nation H.S.
Whatcom CC

The WIBCA showcase was a great experience. Having the opportunity to be coached by the best and play alongside great players made the experience worthwhile. For players who are unsure where they will be playing college basketball in the future, this showcase is extremely helpful in being recognized by different colleges around the Pacific Northwest area. I encourage all high school basketball players interested in the next level to play and compete in this showcase!

Coach Testimonials

“I have attended the WIBCA Showcase as much as possible over the last 18 years as a college coach. We have been blessed in the state of Washington with a steady stream of basketball talent coming up through the high school ranks. That and the quality of this annual event is a direct reflection on the high level coaches we have in our area. Thank you to the WIBCA leadership for continuing to make this a great event.”

Brandon Rinta
CWU Men's Head Basketball

My staff and I attend this event every year and we always see a kid who we end up recruiting and offering. With this many kids under one roof, it helps us see many players who are ready to compete right away at our level. This WIBCA event is first class and I recommend it for High School players to help with their recruitment.

Mike Trautman
Head Men's Basketball Coach
Everett Community College

Coach Testimonials

I recommend this two day event to all the college coaches I come across. Each of the past 9 years I have had 2 or more players come to Everett CC from the Showcase. It is a great opportunity for me to see so many very talented players in a short time period. I also sponsor the event, and I feel it is money well spent.

Thank you for all your work and I will see you again next year.

Larry Walker
Former Head Coach,
Athletic Director
Everett Community College

The WIBCA Showcase held each May in Bellevue is one of the best opportunities for college coaches to preview and keep abreast of up and coming talent. The handout given to college coaches with contact information is invaluable for getting in touch with future prospects.

Bill Mendelson
Head Coach
Pierce College

Coach Testimonials

The WIBCA Basketball Showcase consistently displays quality players from our state on a yearly basis. Our staff at SPU have found it to be a valuable stop on the recruiting trail for us to evaluate some of the best high school players in Washington.

**Grant Leep
Head Men's Basketball Coach
Seattle Pacific University**

Coach Testimonials

The WIBCA Showcase is a unique event where players from all over the state of Washington get to be coached by some of the best coaches in the state and play in front of college coaches. It's a great opportunity for "last chance" seniors and for up and coming returners. The WIBCA Showcase is always well organized to the benefit of players, coaches, and fans. As a high school coach it was always a priority to get my best players involved in the Showcase and many received college interest and opportunities because of it. As a college coach it's valuable to see how players respond in a setting where they aren't with their high school or AAU team and yet are still representing their city/region. I highly recommend the Showcase for any player or coach!
